

Accessibility Policy

Beall's, Inc. (Beall's) is committed to facilitating the accessibility and usability of its Web site, www.burkesoutlet.com, and its other consumer facing properties. To accomplish this, Beall's will be implementing over time the relevant portions of the World Wide Web Consortium's Web Content Accessibility Guidelines 2.0 Level AA (WCAG 2.0 AA) as its web accessibility standard, which will also bring the Web site and other consumer facing properties into further conformance with the Section 508 Web Accessibility Standards developed by the United States Access Board. Our Web site and other consumer facing properties will be tested on a periodic basis with assistive technology such as screen readers and screen magnifiers, and with users with disabilities who use these technologies.

We have engaged an experienced accessibility consultant, The National Center for Accessible Media at WGBH (NCAM), to assess the Web site's and other consumer facing properties' accessibility and to provide Beall's with specific recommendations to facilitate Web site accessibility and conformance with WCAG 2.0 AA standards.

Beall's has adopted this Web site accessibility policy to support its commitment to the accessibility of all of its Web sites.
